

Iqra Dero

IT Engineer

I am an IT Engineer with a strong foundation in software development, web technologies, and database management. I specialize in full-stack web development using the MERN stack (MongoDB, Express.js, React.js, and Node.js) and have experience building responsive, user-friendly, and scalable web applications. I am proficient in HTML, CSS, JavaScript, Tailwind CSS, React.js, Git, and modern development tools.
